**Philosophy:** The camps are designed to teach fundamentals of baseball, individual skills, and team skills.

**Format:** Campers will be taught the fundamentals of play at different positions. Each camper will be grouped with players of equal ability in order to promote safety and confidence. There will be instruction in infield, outfield, catching, pitching and hitting. During each day of camp, we will end the day with a game to teach team play.

## INCOMING 9<sup>TH</sup> GRADERS

This camp will be used to teach fundamentals and team skills but will also be used to prepare the athletes for high school baseball. Coming to this camp gives players a chance to meet the high school coaches and get instruction before their freshman year. It is a terrific opportunity for young players to prepare for the future.
